Contact Lens Return Policy

Please send returns to:

Nassau OOGP Vision Group
2400 Spiegel Drive - Ste A
Groveport, OH 43125

All returns must be submitted via the Online Return Portal prior to shipping products back to obtain an RMA. Not including a completed RMA form with your returned package may result in the return being denied.
To access the online return portal, please visit My Account > Returns.

Products must be returned to NASSAU OOGP Vision Group within 12 months of invoice date.

Damaged product must be shipped back to NASSAU OOGP Vision Group within 30 days of receipt in office. If the product was received damaged, this must be noted on the RMA form.

Accepted returns will be credited at the full price for which product was originally purchased. If policy requirements are not met, we reserve the right to determine the credit amount.

Product purchased from Nassau OOGP Vision Group must be returned to Nassau OOGP Vision Group.

Product must be in resalable condition to be returned.

Below are examples of why a return may be denied. Note that on the RMA form there is an option to allow the returns team to discard non-returnable product. If permission is not granted, non-returnable product will be sent back at a fee of $5.95.

- No RMA included
- Expired product
- Short-dated product
- 15 months from expiration (6 months for Alcon)
- Marked, stickered, or altered boxes
- Open boxes
- Damaged boxes
- Discontinued product. Some discontinued products may be returned based on specific manufacturer policies. To avoid shipped fees, please call Customer Service to confirm the policy before spending back product.

We reserve the right to require a cover order for soft contact lens returns as follows: Any return great than $3,500 must be accompanied by a new order totaling at least 130% of the return dollar value. For example, a return of product billed at $3,500 will require a minimum order of $4,550 worth of product. The cover order must be placed within 7 calendar days of date on which the warehouse received the return, or else the product may be sent back at the sender's expense.

All manufacturer defective lenses should be addressed with the manufacturer directly, as each has their own policy around these returns. Policies for individual manufacturers can be found later in this document. Please feel free to contact customer service for any additional guidance.

We are unable to accept responsibility for the following:

- Product damaged in transit. We recommend that all returns are shipped in sturdy boxes and include adequate padding to protect product.
- Returns not received. All returns should be shipped via a traceable delivery service.
- Return shipping fees for non-qualifying and non-returnable products.

All credits are final after 60 days of credit memo issue date.

Accounts returning product in excess quantities may have their return privileges revoked at the discretion of NASSAU OOGP Vision Group.

This policy is effective as of August 22, 2022, and is subject to change at any time without notice.

Best Practices for Returning Product

All returns must include a completed RMA form.

Including a copy of the original invoice is highly recommended. If the invoice is not included, the return may be credited at the lowest published or promotional price.

We recommend that all returns are shipped in sturdy boxes and include adequate padding to protect product; credit will be denied for returns damaged in transit due to inadequate packing.

Do not return trials.

Returned packages should not weigh more than 10 lbs.

Order Processing

Soft contact lens orders placed by 11:59 PM ET will be processed the following day. Finished Stock Lens orders placed before 3:30 PM ET will be processed the same day. Same-day processing with AM Delivery is available for orders starting at $19.95 shipping and handling fee. All stated prices subject to change.

Trial Lens Manufacturer Limits

To ensure faster processing and better visibility, trial lens orders are subject to an automated cart limit. Any trials exceeding trial limit thresholds will be automatically removed from your cart at checkout, helping to reduce IT-related order holds and improve fulfillment speed.

If you are looking to create or replace an expired set (over 100 trials of a specific product), we recommend connecting directly with the manufacturer. Your Nassau OOGP sales team can help facilitate that conversation and ensure you're supported.

Please note, trial lenses cannot be shipped direct-to-patient (DTP) by our agreements with the manufacturers and must be sent to your office.

Manufacturer Policies

ALCON PLATINUM TOTAL SATISFACTION GUARANTEE

(A) Your patient was fit for the first time in any of Alcon's AIR OPTIX®, DAILIES®, PRECISION1®, or TOTAL30® branded lens products;

(B) Your patient returned all lenses (in opened and /or unopened boxes) remaining from the original Alcon lens purchase within sixty (60) days of the original purchase. [NOTE: The returned lenses should be in a quantity that reasonably reflects the original purchase less the quantity of lenses representing up to sixty (60) days of wear];

(C) You provided your patient a refund or credit for the total purchase price of the Alcon contact lenses; and

(D) You return all unopened, unexpired product received from your patient to your original place of purchase, either Alcon or an Alcon-authorized distributor, within 120 days from the date of the patient's original purchase, together with this completed form, invoice number, and a copy of your patient's receipt evidencing the purchase and return.

You need to complete Alcon's Platinum Total Satisfaction Guarantee form and include it in the return.

JOHNSON & JOHNSON VISION CARE

Defective lenses must be returned directly to Johnson & Johnson Vision Care or replaced with trials.

All remaining boxes from 90, 24, or 12 packs should be returned to Johnson & Johnson Vision Care for credit.

BAUSCH + LOMB

90 Day Patient Satisfaction Guarantee: If for any reason you are not satisfied with your Bausch + Lomb contact lenses, you may return opened boxes directly to Bausch + Lomb for a refund.

The return must be received by Bausch + Lomb within 90 days from the date of purchase. This offer is not valid if you have redeemed a Bausch + Lomb contact lens rebate offer within the calendar year.

Unopened boxes must be returned to the original place of purchase for refund or exchange under the policies of the seller.

Defective lenses must be returned directly to Bausch + Lomb for a refund.

COOPERVISION®

Defective lenses must be exchanged within 30 days from invoice date.

All defective lenses must be returned with a copy of original invoice indicating a specified reason(s) for the defect packaging.

Missing end flaps due to patient rebate redemption, or any other reason, are ineligible for credit.

SIMPLY SATISFIED GUARANTEE™: CooperVision®'s Simply SatisfiedTM Guarantee allows the return of CooperVision® lenses purchased directly from NASSAU OOGP Vision Group. Brands eligible for the Simply SatisfiedTM Guarantee:

- Avaira Vitality® , Biofinity® , MyDay®, Clariti®, Biomedics®, MiSight® 180 PK, Proclear®.
- Proclear® Toric XR is not available for return or exchange.

Product must be returned within 100 days of the original invoice date.

Discontinued product must be returned 30 days prior to product discontinuance date.

A copy of the entire original corresponding CooperVision invoice must be included and indicate the reason for return.

Product must have a minimum of 1 year dating of the expiration date shown on the packaging.

Product must be unopened, intact and in resalable condition (as determined by CooperVision), free of writing, markings of any kind, and stickers not applied by CooperVision.

Lenses in packages with the end flaps removed, due to patient rebate redemption or any other reason are not eligible for return.

Lenses must be received in the original packaging, including the original blister or vial.

*CooperVision may destroy product that does not meet the return requirements.
